- Python
- C/C++
- Kotlin
- JavaScript

Web & Frameworks
- ReactJS
- HTML,CSS
- Node JS

Databases
- SQL /SQLlite
- MySQL
- Workbench
- PHP MyAdmin
- MongoDB
- Firebase

PROFILE

I am a proactive and detail-oriented undergraduate specializing in Information Technology, currently seeking an internship to apply my technical knowledge and problem-solving skills in a professional setting. With hands-on experience in web and mobile development, project management, and database systems, I aim to contribute effectively to dynamic teams while enhancing my practical expertise. I am eager to learn, adapt, and grow as a part of an innovative organization.
